

## Example Categories & Reasons for Alerts:

Alerts are a way for members of a Student's Success Network to raise awareness of an area of concern for a student so that appropriate action can be taken to address the concern.

- Academic Concern
  - Reasons –
    - Not attending class
    - Poor performance
    - Disrupting behavior
- Financial Concern
  - Reasons –
    - Can't afford books
    - Can't afford tuition
- Personal (Ex. Loss of grandparent)
- Health & Wellness (Ex. has the flu)
- Transfer Risk
- Social
  - Reasons –
    - Homesick
    - Roommate Issues
- Counseling
  - Reason - Referral
- Disability Services
  - Reason - Referral
- Tutoring
  - Reason - Referral
- Career
  - Reason - Referral

## Example Categories for Updates:

Updates are a way for members of a Student's Success Network to provide information to the rest of the network and/or to capture touchpoints with a student that can later be used for informational, assessment and analytical purposes.

- Student Meeting (Use to track meetings with students)
  - Reasons:
    - Academic Progress
    - Career/Major Change
    - Registration
- [Insert Name] Department (Use to capture student interaction with a specific office/dept)
  - Reasons: These would vary by office/department
